**Meet the Shih Tzu** - American Kennel Club 2011-10-25

The American Kennel Club's Meet the Shih Tzu is the AKC's first official publication on this popular companion breed, published in conjunction with the American Shih Tzu and I-5 Press. Meet the Shih Tzu presents accurate, authoritative information on all aspects of purchasing and owning this elegant Toy breed. All titles in the American Kennel Club's Meet the Breed series are heavily illustrated with color images of well-bred puppies and beautiful adults, making the books as attractive as they are reliable. Meet the Shih Tzu contains eleven detailed chapters devoted to the breed's history, characteristics, and the special requirements for owning this active and fully coated Toy. A chapter devoted to the purchase and selection of the Shih Tzu puppy gives the reader specific guidance on how to locate a qualified breeder and to recognize a healthy, sound puppy. Individual chapters on house-training and basic obedience serve as a crash course in positive-training techniques, the AKC's only recommended way of training dogs. Chapters on exercise, grooming, feeding, and healthcare present indispensable information for new dog owners. As an official publication of the AKC, Meet the Shih Tzu also explains the many vital programs offered by the country's leading canine organization to all pet dog owners, including the S.T.A.R. Puppy and the Canine Good Citizen programs, as well as descriptions of various dog sports such as conformation showing, agility, herding, obedience and more. A detailed resources section offers recommendations for websites, books, periodicals, and club affiliate programs, all of great interest to responsible new dog owners.

**The American Kennel Club's Meet the Breeds** - American Kennel Club 2017-02-01

Meet the Breeds will detail all of the American Kennel Club recognized dog breeds, including information about each breed's history, breed standards, appearance, and temperament. At 216 pages, this comprehensive dog breed guide will dedicate one page to each breed, with AKC approved puppy and adulthood photos of each breed to help the reader recognize the dogs more easily. BowTie Press is working directly with the American Kennel Club and the individual breed clubs associated with the AKC to bring this book to life. The book will have an introduction from Dennis Sprung, the current President and CEO of the American Kennel Club. A short chapter dedicated to helping readers choose the best breed of dog for their lifestyle will also be included. The 2012 Edition of Meet the Breeds adds 11 new official breed descriptions, affirmed by the American Kennel Club in 2011. Each new breed includes a short history of the breed, a basic physical description, breed statistics, and two photos illustrating the breed's appearance and form. The book itself has been lightly redesigned, giving it a cleaner, more straightforward and dynamic appearance to allow easy reading and searching through its pages.

**K-9 Structure & Terminology** - Edward M Gilbert Jr. 2017-02-23

Structure: the foundation for health and function What sets apart the average dog enthusiast from the expert? Often it's an in-depth knowledge of the anatomy of the dog and a solid understanding of terminology used in the world of dogs. Do you know what a judge is talking about when he mentions "stifle let-down," "shallow brisket," or "excessive angulation?" K-9 Structure and Terminology defines and illustrates these and hundreds of other terms in easy to understand language so you can train your mind and eye to evaluate dogs. All dogs need sound structure for health, show, work, or sport, and, by learning to see beneath the skin the reader will be more able to work with, understand, and appreciate canis familiaris. Gain a better understanding of: • Breed Standards including breed variations. • How the original purpose of the breed is expressed in the structure of the dog. • Terminology used in veterinary care and dog sports, especially Conformation. • How to identify what is right and sound in any dog you encounter. Bonus! A 31-page glossary of words including common and less common terms. What experts are saying about K-9 Structure and Terminology: "If you wish to significantly improve your knowledge of canine conformation, K-9 Structure and Terminology provides a...comprehensive description of the details...of canine variation. And it does so with a clear focus on the importance of establishing a common terminology that can be understood and applied." James W. Edwards, Ph.D., Professor of Biology, Emeritus, Salem College; AKC, Director, Judging Research and Development "All of us in the dog world should strive for perfection...We need to train our eyes and our hands to recognize the strengths in a dog's structure and movement. This book is an excellent guide in our unending quest of applicable knowledge." Pat Hastings, author of *Tricks of the Trade*. From *Best Intentions to Best in Show*, AKC Judge and noted lecturer Edward M. Gilbert is a multiple breed and group AKC judge, lecturer, and writer. His engineering and technical writing background makes him especially well-suited to the task of explaining canine structure and terminology. He lives in California with his wife Pat and their retired Champion Afghans and Salukis. Thelma Brown, AKC Emeritus judge, worked side by side with her husband Curtis Brown breeding and showing dogs beginning in 1937. She is retired and living in California.

This eBook provides an analysis of one of America's favorite dog breeds, the Golden Retriever. It provides an in-depth analysis of the dog's behavioral patterns, personality, and general characteristics.

*Dog Grooming Simplified* - Jodi Murphy 2014-08-15

Jodi has been well respected as an educator in the grooming industry for many years. She is one of the top pet stylists in the world winning multiple titles included World Grand Champion and Best American Groomer. She is here to share her knowledge in this extraordinary book. With over 190 breeds recognized by the American Kennel Club along with individual breed-specific grooming instructions, it can become very overwhelming for new groomers to retain the information. *Straight to the Point* is the solution to learning about pattern lines, which simplifies the learning process. Whether the patterns are set tight or left more natural, the patterns are set in the same fashion. Once a groomer understands basic patterns he or she will be able to groom any breed with ease. The dogs pictured in this book are top winning show dogs presenting the correct profile according to their breed standards. Jodi chose to illustrate this way for several reasons. First, a show dog presents an excellent representation of the breed and how it should be groomed per the breed standard. Second, the reader will be able to see the realistic depth and dimensions of the coat. Last, it will give the reader a vision of the pattern in a realistic view and will be a great reference source when grooming each breed. Once the groomer understands correct pattern placement, it can easily be applied to pet trims. A pet dog does not have to be groomed using show techniques, i.e., hand stripping, to present the proper breed profile. With proper pattern placement and techniques described in

this text, the groomer will be able to present a well-balanced, well-blended pet trim to the pet owner.

Puppy Styled: Japanese Dog Grooming: Before & After - Grace Chon 2018-10-02

Doggie makeovers that will make you smile Japanese dog grooming does not follow the rules of traditional, breed- standard grooming. In fact, it only has one mission—to make dogs look as adorable as possible! With extreme attention to detail and careful consideration of a pup's best attributes, Japanese dog groomers and salons achieve the perfect transformation by forgetting uniform looks and getting creative. From internationally acclaimed pet photographer and author of *Waggish: Dogs Smiling for Dog Reasons* comes this adorable book, which showcases the transformation of dogs going from cute to cutest. Originally a viral photo series called "Hairy," Grace Chon's work perfectly captures the whimsy and glamour of freshly groomed furry friends. With nearly 50 before- and- afters, Chon proves that Japanese dog grooming is not just a haircut, but a work of art.

*DIY Dog Grooming, From Puppy Cuts to Best in Show* - Jorge Bendersky 2014-03

You can often tell how healthy a dog is by the appearance of its coat. Grooming your dog regularly offers clues to her health: It nips potential health problems, like allergies, poor nutrition, parasites, or diseases, in the bud--or at least gives you some early warning about them. Grooming also makes your dog (and you) comfortable socializing whilst also stopping the spread of dirt, fleas, and germs. You can conveniently groom your dog in the comfort of your home. But perhaps the biggest benefit to grooming your dog yourself is strengthening your bond with them. *DIY Dog Grooming, From Puppy Cuts to Best in Show* by Jorge Bendersky, and foreword by Cesar Milan, will show you how to take the best care of your dog, regardless of breed, temperament, or age. Practical step-by-step photos will take you through everything you need to know to bathe and trim your dogs, plus care for their nails, ears, teeth, and more. Learn how to train them to relax and enjoy grooming. Dog Groomer's Manual - Sue Gould 2014-03-31

The *Dog Groomer's Manual* is the definitive reference book covering all aspects of the work of the dog groomer. This highly illustrated book will help owners, students and professional dog groomers develop their skills and knowledge. It will enable them to adapt the principles of grooming appropriately, based on a systematic approach to understanding and observing the physical appearance, the nature, the lifestyle and the behaviour of the dog. The Manual covers the following: SCIENCE; The veterinary principles of anatomy and physiology that must inform good grooming practice, pre-grooming health checks, common parasites and skin diseases, infectious and zoonotic diseases. PRACTICE; Running a grooming business and the diverse standards of safety, hygiene and professionalism required in the grooming workshop; First Aid and what to do in emergency situations; handling and restraining the dog safely, grooming equipment and tools. ART; Grooming out the coat, bathing and drying, clipping, scissoring, hand stripping and plucking, styling, preventative healthcare products. Referenced to reliable sources of information and adhering to the requirements of City & Guilds, British Dog Grooming Association, and nationally recognized dog grooming qualifications, *The Dog Groomer's Manual* is the perfect companion for dog groomers around the world seeking to attain these internationally recognized awards. Superbly illustrated with 1000 colour photographs.
