

# The Of Revelation The New International Commentary On The New Testament

Right here, we have countless ebook **The Of Revelation The New International Commentary On The New Testament** and collections to check out. We additionally allow variant types and as a consequence type of the books to browse. The suitable book, fiction, history, novel, scientific research, as competently as various supplementary sorts of books are readily genial here.

As this The Of Revelation The New International Commentary On The New Testament , it ends happening swine one of the favored ebook The Of Revelation The New International Commentary On The New Testament collections that we have. This is why you remain in the best website to look the amazing books to have.

**Holy Bible** - Zondervan Publishing House 2013-01-21

A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

*The Gospel According to Matthew* - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**Revelation- A New Interpretation** - Samuel Wahbeh 2015-11-10

This book, together with my second book, Revelation-A New Interpretation: Jesus and His Bride Through 51 Messages Volume 2, takes on a new interpretation to the study of Revelation. Based on the principle of scripture interpreting scripture, it shows that Revelation is happening today, just like it has always happened and will continue to happen until Jesus comes again. These two volumes challenge the views of Amillennialism that teach events in Revelation happened during the first century. These volumes also challenge the Dispensationalists who claim all events in Revelation are futuristic. Revelation is full of numbers, colors, and symbols that play a vital role in unlocking the message.

Thankfully, they are given to us in Scripture and we don't have to guess their meaning. The book of Revelation shows our relationship to Jesus Christ: it is a marriage covenant. It is Jesus who came to find a bride so that he can be with her for all eternity. When he first saw her, she was as sinful as one can be. Yet, he washed her in his blood, clothed her with the sun, and made her as beautiful as beauty can be. He gave her a new life, and established her as a suitable helper to share in his mission to become a light to the Gentiles and bring God's salvation with eternal glory to the ends of the earth.

Revelation for Everyone - N. T. Wright 2011-01-01

N. T. Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion, with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

*Revelation (Baker Exegetical Commentary on the New Testament)* - Grant R. Osborne 2002-11-01

The Book of Revelation contains some of the most difficult passages in Scripture. Grant Osborne's commentary on Revelation begins with a thorough introduction and the many difficulties involved in its interpretation. He also examines elements that complicate the interpretation of apocalyptic literature. As with all volumes published in the BECNT series, Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective.

**The Book of Revelation and its Eastern Commentators** - Thomas Schmidt 2021-09-09

In this volume, T.C. Schmidt offers a new perspective on the formation of the New Testament by examining it simply as a Greco-Roman 'testament', a legal document of great authority in the ancient world. His work considers previously unexamined parallels between Greco-Roman juristic standards and the authorization of Christianity's holy texts. Recapitulating how Greco-Roman testaments were created and certified, he argues that the book of Revelation possessed many testamentary characteristics that were crucial for lending validity to the New

Testament. Even so, Schmidt shows how Revelation fell out of favor amongst most Eastern Christian communities for over a thousand years until commentators rehabilitated its status and reintegrated it into the New Testament. Schmidt uncovers why so many Eastern churches neglected Revelation during this period, and then draws from Greco-Roman legal practice to describe how Eastern commentators successfully argued for Revelation's inclusion in the New Testaments of their Churches.

*The Theology of the Book of Revelation* - Richard Bauckham 1993-03-04

The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

The Book of Revelation - Rupert Thomson 2012-01-01

On a bright spring day in Amsterdam a man goes out to buy a packet of cigarettes. He is a dancer - charismatic, talented and physically beautiful. What happens next takes him completely by surprise and marks him for ever. He awakens to find that he has been abducted by three hooded strangers and subsequently imprisoned in a mysterious white room, which will have consequences that are both poignant and highly disturbing.

The New Jerusalem Bible - Henry Wansbrough 1999

A critically acclaimed modern translation of the Bible into English, based on the latest advances in biblical scholarship, features a concise two-column format for easier reading, a low price, and a reader-friendly design.

*The Gospel According to John* - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**Revelation** - Iii Witherington 2003-09-15

Table of contents

All Things New - Tim Snider 2011-10-05

All Things New is not just another book on Bible prophecy. Are we the terminal generation? Are we the generation of mankind that will see the fulfillment of its prophecies? This book answers those questions. The book of Revelation needs to be engaged, more now than in any era of human history. However, many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man. All Things New is a verse-by-verse commentary/guide for the Christian or non-Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today. Included are definitions of the basic terms related to the Church and Christianity that a non-believer might not

understand but are necessary for a clear, comprehensive understanding of Revelation. This book is not just about scary beasts, incomprehensible images, and mind-boggling catastrophes and judgments. It's also a book of vindication for the people of God, a demonstration of God's eternal justice, and most importantly, a book of hope for a world that seems to have lost its way. There are storm clouds on the horizon, and a cold night of despair will follow, but the night is never so cold as just before the dawn. May everyone who reads this book find joy, peace, and tranquil hope for the future in the person of Jesus Christ. A new day is coming, and a new world will dawn in which God will indeed make All Things New. To read a Kirkus review for this book copy and paste this address into your browser:

**Revelation** - Craig R. Koester 2015-01-11

La 4e de couverture indique : "In this landmark commentary, Craig R. Koester offers a comprehensive look at a powerful and controversial early Christian text, the book of Revelation. The author provides richly textured descriptions of the book's setting and language, making extensive use of Greek and Latin inscriptions, classical texts, and ancient Jewish writings, including the Dead Sea Scrolls. Rather than viewing Revelation as world-negating, Koester focuses on its deep engagement with social, religious, and economic issues while addressing the book's volatile history of interpretation. The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text."

**Interpreting the Book of Revelation (Guides to New Testament Exegesis)** - J. Ramsey Michaels 1998-09-01

An introduction to the study of Revelation reviewing the book's linguistic structure, vocabulary, and variant readings, as well as differences of opinion regarding its message.

*The New Jerusalem in the Book of Revelation* - Pilchan Lee 2001

There is a development between expectation for the rebuilding of the New Jerusalem/Temple in the Old Testament and the coming of the New Jerusalem/Temple in Revelation. In Revelation, there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem: the New Jerusalem is the descent of the Heavenly Jerusalem. Moreover, there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple. How can this shift be explained? Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation. He assumes that as the exegetical tradition, the early Jewish (apocalyptic) literature functions as a key element for forming the idea of the New Jerusalem in Revelation. John's main argument is that the church (which is symbolized by several images) is placed in heaven now (chapters 4-20) and the church (which is symbolized by the New Jerusalem) will descend to the earth from heaven in the future (21-22).

*The Everything Bible Book* - John Trigilio 2004-02-10

From Genesis to Revelation - all you need to understand the Old and New Testaments For centuries, the Bible has served as a moral compass and a source of God's word. Packed with stories of mystery, intrigue, and inspiration, the Bible is also valued as sacred literature. Unfortunately, disjointed narratives, confusing language, and an innumerable cast of characters can make reading the Bible a challenge for many people. The Everything® Bible Book is a lucid and richly detailed guide to the history, literature, stories, parables, and personalities of both the Old and New Testaments. From Genesis to Revelations, Abraham to Paul, this book covers the various theories on the origins of the Bible, compares the different editions, and describes in detail the Bible's culture and times. This highly accessible book also includes information on: All the books of the Bible and their content The various translations and versions Interpretations of the Bible through the ages Comparisons of the gospels A book-by-book reading plan Filled with easy-to-follow information and fascinating historical perspective, The Everything® Bible Book is the perfect resource for anyone who wants to unravel and understand the complex mysteries of the Good Book but is intimidated by the prospect.

*The Book of Revelation* - Kevin J. Conner 2001-01-01

*Manuscripts of the Book of Revelation* - Garrick V. Allen 2020-07-30

The Book of Revelation is a disorienting work, full of beasts, heavenly journeys, holy war, the End of the Age, and the New Jerusalem. It is difficult to follow the thread that ties the visions together and to makes sense of the work's message. In Manuscripts of the Book of Revelation, Garrick Allen argues that one way to understand the strange history of

Revelation and its challenging texts is to go back to its manuscripts. The texts of the Greek manuscripts of Revelation are the foundation for the words that we encounter when we read Revelation in a modern Bible. But the manuscripts also tell us what other ancient, medieval, and early modern people thought about the work they copied and read. The paratexts of Revelation—the many features of the manuscripts that help readers to interpret the text—are one important point of evidence.

Incorporating such diverse features like the traditional apparatus that accompanies ancient commentaries to the random marginal notes that identify the true identity of the beast, paratexts are founts of information on how other mostly anonymous people interpreted Revelation's problem texts. Allen argues that manuscripts are not just important for textual critics or antiquarians, but that they are important for scholars and serious students because they are the essential substance of what the New Testament is. This book illustrates ways that the manuscripts illuminate surprising answers to important critical questions. We can learn to 'read' the manuscripts even if we don't know the language.

**The Book of Revelation** - G. K. Beale 2013-09-07

This monumental commentary on the book of Revelation, originally published in 1999, has been highly acclaimed by scholars, pastors, students, and others seriously interested in interpreting the Apocalypse for the benefit of the church. Too often Revelation is viewed as a book only about the future. As G. K. Beale shows, however, Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages -- including our own. Engaging important questions concerning the interpretation of Revelation in scholarship today, as well as interacting with the various viewpoints scholars hold on these issues, Beale's work makes a major contribution in the much-debated area of how the Old Testament is used in the Apocalypse. Approaching Revelation in terms of its own historical background and literary character, Beale argues convincingly that John's use of Old Testament allusions -- and the way the Jewish exegetical tradition interpreted these same allusions -- provides the key for unlocking the meaning of Revelation's many obscure metaphors. In the course of Beale's careful verse-by-verse exegesis, which also untangles the logical flow of John's thought as it develops from chapter to chapter, it becomes clear that Revelation's challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past.

**ESV Study Bible** - Crossway 2008-10-15

The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.)

*The Joy of Hearing* - Thomas R. Schreiner 2021-11-17

Join New Testament scholar Thomas Schreiner as he explores the meaning and purpose of the book of Revelation. The book of Revelation can feel more intimidating to read than other books of the Bible. It invites readers into a world that seems confusing and sometimes even strange: golden lampstands, seven seals, a dragon, and a rider on a white horse. But at its core, Revelation is a message of hope written to Christians facing hardship, and it's worth the effort to read it and understand it. In this first volume in the New Testament Theology series, trusted scholar Thomas Schreiner walks step-by-step through the book of Revelation, considering its many themes—the opposition believers face from the world; the need for perseverance; God as sovereign Creator, Judge, and Savior—as well as its symbolic imagery and historical context. The Joy of Hearing brings clarity to the content and message of Revelation and explores its relevance for the church today.

**The New Jerusalem in the Revelation of John** - Bruce J. Malina 2000

There are two major entities at the close of the book of Revelation that explain the author's understanding of forthcoming life with God: the Celestial City (the heavenly Jerusalem) and the cosmic Lamb. The marriage of these two marks the concluding highpoint of John the Seer's work. What are the entities in question? How do they marry and what is

the significance of that event for those who believe in Jesus as cosmic Lord? In *The New Jerusalem in the Revelation of John*, Bruce Malina offers insights into the concluding vision of the book of Revelation to assist Bible readers to understand what the visionary of Revelation said, and meant to say, to his first-century Mediterranean audience. *The New Jerusalem and the Revelation of John* sets out comparative models of what sorts of cities existed during the time of the New Testament and what it meant to live in an ancient Mediterranean city. It further explains the significance of the celestial marriage of the City and the Lamb. The result is a set of reading scenarios that describe and explain Revelation's closing visions, which mediate the theology of John the Seer. The definition and comparative model of the city in *The New Jerusalem and the Revelation of John* is also useful for persons interested in understanding those first "urban" members of Jesus groups addressed by other New Testament documents. Chapters are "Presuppositions about Language and Reading," "The Genre of the Book of Revelation," "The Holy City in the Sky," and "The Cosmic Lamb Marries." Includes relevant charts. Malina in these reflections has mediated a significant approach to Revelation. Irish Theological Quarterly? Against the commonplace notion that Revelation is a morbid forecast of doom, death, and destruction, Malina demonstrates the upbeat and hope-promoting force of its conclusion: a life-affirming vision of a marriage of the Cosmic Lamb (Jesus) and his bride, the Celestial City (the new and perfect Jerusalem), graphic astronomical symbols of life with God. Malina serves as an informative tour guide introducing the modern reader to the ancient world of John, its urban life, its occupation with astral phenomena as signs of the time, and Christianity's utopic vision of new life with God.? Rev. John H. Elliott Department of Theology and Religious Studies University of San Francisco? Malina has done it again. His penetrating insights cut through the fog of interpretations beclouding the Book of Revelation to clarify its concluding vision. God will be henceforth present among humans on earth in the New Jerusalem, a city descended from the sky that contains the Throne of God and the celestial Lamb, cosmic symbol of Jesus. The Mediterranean cultural aptness of this explanation, Malina's specialty, highly recommends it as John the astral prophet's intended meaning for all his readers.? John J. Pilch Author of *The Cultural World of Jesus and The Cultural Dictionary of the Bible*? *The New Jerusalem in the Revelation of John* is vintage Malina: provocative, at times humorous, fascinating, devastating to conventional understandings, blunt, and passionately devoted to the social sciences, especially cultural anthropology, as key to interpreting the New Testament. Malina's new work continues to unfold the implications of his earlier research into ancient astrology and the book of Revelation. The result is a vivid and perceptive reading of the new Jerusalem and the Lamb that locates them squarely in ancient conceptions of the city and the sky.? Walter F. Taylor, Jr., Ph.D. Ernest W. and Edith S. Ogram Professor of New Testament Studies Trinity Lutheran Seminary Columbus, Ohio? This volume is an eminently readable, commonsense approach to aspects of the Book of Revelation. . . . It complements Malina's earlier work on the genre of the Book of Revelation, and offers not only a clear understanding of how to read ancient documents, but also a sensible, persuasive interpretation of this part of the Book. . . . Malina is to be congratulated for his insight, commonsense, helpful commentary, and his clarity.? T.R. Hobbs Hamilton, Ontario

*Revelation* - Brian K. Blount 2009

Blount's commentary provides a sure and confident guide through this sometimes difficult and troubling book, seeing Revelation as both a prophetic intervention and an awe-inspiring swirl of disturbing violence and breathtaking hope. All those who love the book of Revelation will appreciate Blount's theological sensitivity, and those who are mystified by Revelation will find clarifying wisdom.

*The Theology of the Book of Revelation* - Richard Bauckham 1993-03-04

This study is unique in its comprehensive account of the theology of Revelation, and is original in its exposition of the Book's message.

*Heaven and the Afterlife* - Erwin W. Lutzer 2016-05-13

Get ready for life after death. Combining three books that together have sold nearly 1 million copies, *Heaven and the Afterlife* gives you Erwin Lutzer's best reflections on eternity and what it means for you today. The trilogy includes: *One Minute After You Die*. A simple and moving explanation of what the Bible teaches about death, this book makes you consider a sobering truth: one minute after you die, your life will not be over. Rather, it will be just beginning—in a place of unimaginable bliss or indescribable gloom. Are you ready for that moment? *How You Can Be Sure You Will Spend Eternity with God* summarizes the Bible's teaching on salvation, answering questions like, "What role do I play in my own

salvation? Can I lose my salvation if I commit a serious sin? What if I doubt that I'm saved?" *Your Eternal Reward*. This book explores the often-overlooked Scriptures about reward and judgment for Christians, answering questions like, "How will believers be judged? Do rewards for faithfulness vary? If heaven is perfect, why do rewards even matter?" Together these books will help you live faithfully today, readying you for that final hour when you meet your Maker.

*The Book of Revelation* - Bil Holton 2015-01-16

If you've outgrown a liter-only interpretation of Revelation, and are looking for something that goes beyond the fear and doomsday approach, this is the book for you! It explodes the traditional views of Revelation and offers a verse-by-verse metaphysical interpretation that reveals hidden wisdom and describes a process for enlightenment.

*The Book of Revelation* - 2018

With artwork by Jennifer May Reiland. A new translation of the biblical Book of Revelation.

**The Revelation of the New Covenant** - Daryl Bacon 2018-07-10

Has your Christian life left you feeling empty with a feeling there is more to be attained? What happens when today

*The New Jerusalem Bible* - Henry Wansbrough 2016-07-12

The New Jerusalem Bible: Standard Edition will satisfy the great need for an authoritative version of "the greatest story ever told" in a package so attractive, user friendly, and affordable, this edition is destined to become a classic. Using the same translation that has been hailed as "truly magnificent" (*Journal of Bible Literature*), the Standard Edition has a completely redesigned interior, set in a two-column format for easy reading. With all the best features of much more cumbersome and costly versions, this Bible is a must-have for home, church, and school.

**Revelation** - Gordon D. Fee 2010-11-01

Revelation is a book that many Christians find confusing due to the foreign nature of its apocalyptic imagery. It is a book that has prompted endless discussions about the "end times" with theological divisions forming around epicenters such as the rapture and the millennium. In this book, award winning author Gordon Fee attempts to excavate the layers of symbolic imagery and provide an exposition of Revelation that is clear, easy to follow, convincing, and engaging. Fee shows us how John's message confronts the world with the Revelation of Jesus Christ so that Christians might see themselves as caught up in the drama of God's triumph over sin, evil, and death. Fee draws us into the world of John and invites us to see the world through John's eyes as the morbid realities of this world have the joyous realities of heaven cast over them. In this latest installment in the New Covenant Commentary Series we see one of North America's best evangelical exegetes at his very best.

**Revelations** - Elaine Pagels 2012-03-06

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: *The Book of Revelation*, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns *The Book of Revelation* to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

**The New Revelation** - Arthur Conan Doyle 1918

Many more philosophic minds than mine have thought over the religious side of this subject and many more scientific brains have turned their attention to its phenomenal aspect. So far as I know, however, there has been no former attempt to show the exact relation of the one to the

other. I feel that if I should succeed in making this a little more clear I shall have helped in what I regard as far the most important question with which the human race is concerned. A celebrated Psychic, Mrs. Piper, uttered, in the year 1899 words which were recorded by Dr. Hodgson at the time. She was speaking in trance upon the future of spiritual religion, and she said: "In the next century this will be astonishingly perceptible to the minds of men. I will also make a statement which you will surely see verified. Before the clear revelation of spirit communication there will be a terrible war in different parts of the world. The entire world must be purified and cleansed before mortal can see, through his spiritual vision, his friends on this side and it will take just this line of action to bring about a state of perfection. Friend, kindly think of this." We have had "the terrible war in different parts of the world." The second half remains to be fulfilled.

Behold, Jesus Is Coming! - Kay Arthur 2002-06-15

Yes...the everyday Christian can understand the book of Revelation! This clear, helpful study encourages readers to delve into this important scripture and, by studying it inductively, let the text speak for itself.

*Revelation* - Greg Laurie 2021-09

The Living Bible, Paraphrased - Kenneth Nathaniel Taylor 1971

*Three Resurrections* - Mike Mazzalongo 2017-08-17

This Mini Book explains the nature and purpose of the three permanent resurrections described in the New Testament.

The Old Testament in the Book of Revelation - Steve Moyise 1995-01-01

**Revealing Revelation** - Amir Tsarfati 2022-05-03

Tour the Final Book of the Bible Revelation was written because God wants us to know what the future holds. For Christians, the prophetic truths within provide wisdom, reassurance, and discernment—while for unbelievers, Revelation is a plea to receive God's grace while there is still time. Bestselling author Amir Tsarfati examines what Revelation makes known about the end times and beyond. Guided by accessible teaching that lets Scripture speak for itself, you'll take a closer look at the timeline of what believers and nonbelievers will experience before,

during, and after the tribulation plan that the Lord has specifically prepared for the people of Israel in the end times encouragements, challenges, and warnings Jesus Himself gave to prepare us for His return. Revealing Revelation provides an eye-opening look at what lies ahead for every person in the end times—either in heaven or on earth. Are you prepared for what is to come?

*Revelation* - 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**The Book of Revelation: A New Beginning** - Terry L Newbegin 2011-03-23

"The Book of Revelation: A New Beginning" contains the hidden secrets of Saint John's Revelation, and as you know, it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it. Man has always assumed the word of God's prophets and their stories were indisputable just because of their eminence in interpreted them as being true. Man has forgotten the history of himself, Earth, God, the origin of the universe, and how the scriptures have been documented, interpreted, and strictly passed down by our ancestors and religious leaders. As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti-Christ as we understand it nor is it about Jesus coming to save you. In truth, Saint John's Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross, like Jesus, and now the time has come for you to ascend to a higher state of Mind. The book of Revelation: "A New Beginning" is a book that will help open the gates of your soul memories so you can become aware of your own divineness, and that you are a God too. My fellow Gods, what is coming to an end is the old ways of perceiving and understanding God. It is not that God is a mystery. It is you that is the mystery, and when fear is resolved within, you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years, either on purpose or because of ignorance.
