Record the relationship issues, the debt, the emotions, the setbacks, the victories, and anything else that seems important at the time." "The immediate benefits of writing everything down are twofold. First, writing helps you process the problems and victories. The Legacy Journey - Dave Ramsey 2014-10-01

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth—and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling

guilty about it. Is this what God had in mind?

The Ruthless Elimination of Hurry - John Mark Comer 2019-10-29

ECPA BESTSELLER • A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life “As someone all too familiar with ‘hurry sickness,’ I desperately needed this book.”—Scott Harrison, New York Times best-selling author of *Thirst* “Who am I becoming?” That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren’t pretty. So he turned to a trusted mentor

for guidance and heard these words: “Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life.” It wasn’t the response he expected, but it was—and continues to be—the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you’ll find a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world.
